MAYES PROPOSED AMENDMENT 2

TIME/DATE PREPARED: December 17, 2008

COMPANY: Arizona Public Service Company

AGENDA ITEM NO. U-25

DOCKET NO. E-01345A-07-0712

OPEN MEETING DATE: Dec. 16-19, 2008

Page 17, line 5, INSERT NEW FINDING OF FACT:

"The Commission is concerned that APS' currently proposed average annual energy savings target from DSM programs in 2008-2010 falls below the savings achieved in 2007. The Commission believes that the annual average energy savings target must properly reflect the 31.5% in increased funding and should be established at a minimum of 25% above APS' 2007 net energy savings result."

Page 17, line 17.5, INSERT NEW ORDERING PARAGRAPH:

"IT IS FURTHER ORDERED that Arizona Public Service Company shall established its proposed average annual energy savings target from DSM programs in 2008-2010 a minimum of 25% above APS' 2007 net energy savings result. APS shall submit a compliance filing by January 30, 2009 in this Docket, consisting of one or more tables documenting the increased yearly and three-year values for annual energy savings, as well as the commensurate adjustments to yearly and three-year values for the DSM budgets, lifetime energy savings, MW peak demand reductions, emission reductions, environmental benefits, economic benefits, and net benefits."

Make all conforming changes.
